# 2016

## MEDIA PERMISSION FORM

RoboCupJunior is an event that attracts media attention. It is likely that participants and attendees may be interviewed, photographed and/or filmed by the media and/or researchers from Bloomfield College who are documenting the event.

### Consent

By signing below, I agree to allow my child to be interviewed, photographed and/or filmed by the media and/or researchers documenting the event. I give permission for this material to be published, placed on the official RoboCupJunior USA web page, televised in the public forum and/or used for research purposes. This material will only be used anonymously; only my child's age, gender and location (city/state and country) may be disclosed. Any other use of this material will require my written consent.
